

WRTA Bustracker Signs

What it all Means...

- 1 Stop ID Number**
Look for the unique Stop ID number at your bus stop. Use your stop ID to get bus arrival information on your phone.
- 2 Stop Name**
Landmark or cross-road intersection nearest to the stop.
- 3 Bustracker Info Line**
Call WRTA's Information Line at **508.296.TRAK(8725)** to have the next bus arrival times read to you over the phone. Use your dial pad to type in the Stop ID number. Or you can tell the voice recognition system your Stop ID Number.
- 4 Text Message**
Send a text message to the WRTA to get your next bus arrival times.
Text **"WRTA [stop id]"** to **41411**
Make sure to leave a space between WRTA and your stop ID number.
- 5 Web**
Use the WRTA's interactive website on your computer, tablet or smartphone to get your next bus arrival times.
Visit [www.therta.com/\[stop id\]](http://www.therta.com/[stop id]) or bustracker.therta.com
- 6 QR Code**
Scan the Quick Response (QR) Code using a QR Scanner Application. Don't have one? Visit www.therta.com/qr for instructions and a list of scanner apps for your device.

Problems?

E-mail: bustracker@therta.com to report issues or get technical assistance.
