

**Central Mass Transit Management, Inc.
Mechanic
Full Time
\$27.00 Per Hour**

Central Mass Transit Management, Inc. is looking for a Full Time Mechanic with experience with diagnosing electrical and mechanical failures in either diesel or gasoline fueled vehicles along with general automotive training in mechanical areas such as chassis, suspension, steering, HVAC and air brakes, rebuilding engines on hoists, tune-ups, replacing turbines, transmissions, oil pump housing, and timing gears.

The successful candidate will work on various repairs of vans and diesel buses including preventative maintenance work. CDL B license preferred. ASE certification preferred. We are looking for a hands-on person who has good basic mechanical abilities which we will train.

We offer an excellent benefit package including health, life, and dental insurance as well as a pension plan. Applications accepted at Central Mass Transit Management, Inc., 42 Quinsigamond Avenue, Worcester, MA 01610, Monday – Friday, 8 AM – 3 PM or applications and/or resumes can be sent via our website at www.therta.com or emailing applicant@therta.com
