

# Mechanic

Central Mass Transit Management Inc. is looking to fill a full time position within our Maintenance Department. We are the local fixed route bus company providing bus and van service to commuters in and around the City of Worcester. We receive funding through the Worcester Regional Transit Authority to run our service. Our company has buses and vans that we service through our Maintenance Department. We are a union shop that runs 365 days per year 24 hours per day. We are looking for an entry level Mechanic for our Maintenance Department.

The open shift is 11 – 7 AM with Wednesday and Thursday nights off. The pay is approximately \$28.00 per hour with wage increases up to \$35 per hour within two years. The job duties require performing preventative maintenance of vehicles including buses, will install, maintain, and repair engines on hoists, and perform tune-ups. The position is also responsible for replacing turbo chargers, transmissions, oil pump housings, and timing gears. The successful candidate will also perform engine/transmission modifications.

We are looking for someone who is mechanically inclined who has prior experience working on cars. Our buses are diesel but if the candidate does not have diesel Mechanic experience, we have the ability to teach them the requirements of the job. We can also train to get a CDL B license for the candidate.

We have excellent benefits including vacation, pension, health, and dental insurance. You can apply online at [www.therta.com](http://www.therta.com) on the career tab come in to our facility at 42 Quinsigamond Avenue, Worcester, MA 01610
